Letter from the Executive Engineer Kurnool
Division No 205 dated 28th June 1892 to the
Supty. Engineer, III Circle, Bellary.

With reference to your endorsement No.
2699 dated 23rd December 1891, I have the
honor to inform you that the estimate therewith
returned has been cancelled as being too high
in regard to rent to be charged.

2. The Signallers quarters at Surkesala
are in a dilapidated state. It is proposed
to demolish them and to use such materials
as are fit in the construction of the anicut
superintendent's quarters. The estimate for
the latter under such arrangements amounts
to Rs. 550 which is the minimum cost to which
it can be reduced.

3. Signallers quarters will not be
required if the line is to be abolished; and even,
if it is retained a separate building for the
purpose is not required as since the retirement
of

of the late Anicut Superintendent his duties are attached to Signaller Joseph Pillay without increase of salary, thus Rs 25 drawn by the former is saved to Government so long as the Telegraph line exists.

4. Turning to the point of rent there can be no question as to the provision of quarters being solely in the interest of Govt. considering the importance of the Sunkesala Head Works of the Canal and the fact that the anicut Superintendent is the senior member of the Department living on the spot.

5. Private quarters can be had at little or no cost in the village of Sunkesala but the village is situated $\frac{3}{4}$ mile from the Head Works which distance will prevent immediate attention being paid on emergencies.

6. The salary proper of the Anicut Superintendent as also that of Signaller is
Rs

Rs 25, but a personal allowance of Rs 5 has been sanctioned in G.O. No. $\frac{2237}{28-9-90}$ to Joseph Pillay. His emoluments should therefore be taken at Rs 30 and a rent of Rs 3 charged under ordinary rules. No 6

7. Joseph Pillay's case however deserves special consideration. He was drawing Rs 60 as Inspecting Signaller upto 1889 - when owing to the abolition of the line from Kurnool it was not practicable to give him more than Rs 30 including personal allowance. Thus his income was reduced 50 per cent, and if he is required now to pay rent at the rate of 3 rupees per mensem he will feel the pressure still more.

8. Under these circumstances I therefore have the honor to request that entire remission may be accorded both to Joseph Pillay and his successors. The former case requiring the sanction of the Govt.

Government of India and the latter of
this Government vide Chapter XI Para
28 III b. S.O. No 202 of Government of India
Code.
