This proposal was made order that the officer in charge of pensioners may live near his office.

buildings as "Pension Pay office" of value of Rs 2000. If the rent is calculated on this amount plus 3 per cent for repairs, it will amount to Rs 16 per month. The pension of the Sub-Conductor is Rs 50 and allowance for change of the payments and pensions is Rs 35, or in all he is to get Rs 85; and so he cannot be asked to pay the above rent.

We have the honor to request that you will be good enough to let the rent be charged at the rate of Rs 4 per month, and will let the rate of Rs 16 per month be paid down at the termination of the lease.

Yours truly,
 Sir,
