PROCEEDINGS OF THE MADRAS GOVERNMENT

Read the following paper:—

From the Registrar of the High Court of Judicature at Madras, Appellate side, dated 20th July 1892 No. 1798.

In forwarding the accompanying plan and estimate for a wire fencing to the District Munsif's Court Compound at Enmadu in the South Malabar District, I am directed to request that the Government will be pleased to sanction the estimate and to issue orders for the work being executed by the Public Works Department.

2. As the estimated cost is below Rs 2000 the High Court is competent provided the work were carried out by private agency, to sanction the charge out of the allotment for P.W. construction and Repair, under which head, I am to say, sufficient provision is available in the current year's budget. But the District Judge is of opinion that the work should be undertaken by the Public Works Department, and the High Court concurs.

The High Court does not seem to be vested with any powers of sanction. If there has been any order subsequent to the Madras Code conferring powers, there is no note of it in the office. But in any case the Registrar is quite empowered. The limit of Rs 2000 under para 1310.

applies to Sanction
Estimates, and not to
Expenditure - "Petty
Construction & Repairs"
for which the High Com.
has a separate budget
is limited to Rs 1000 for
each work and not
Rs 2000 as stated by the
Registrar. The present
estimate is below the
Rs 1000 limit.
