The Sub: Div: Officer.
West Sub: Div:

Sir.

236/1

I beg to inform you that it is now over a year since I received my last increment, and since then my work at the Govt Brickfields has considerably increased owing to machinery worked by steam having been introduced. I therefore respectfully request you will be so good as to represent my circumstances to the Consulting Architect and solicit him to grant me another increment.

In conclusion I beg to state that I have hitherto been allowed free quarters, but for the last two months 10 per cent. of my salary has been deducted for house rent which I feel very much owing to these hard times. As a man of my circumstances it is no advantage to live so far out of Town away from market, school for Children and Medical aid, I therefore under these circumstances again earnestly beg that you will be so good, and obtain my request for which I shall feel very grateful.

I beg to remain

Sir

Your most Obed: Servant
James Calder.

consideration -

For Butler's work

has been greatly increased

since the power has been

restored as the work is

now in progress and I therefore

am sorry he is decreasing

of an increase to his salary

for which I am strongly

opposed to him

No. 1560 27.15 August 1892.

Forwarded to the Chief Engineer
P. W. Department with the remark that
an increase of Rs 5/- may be granted
to the applicant as his work & res-
ponsibility is very much increased
besides the imposition of rent for the
quarters which he has now to pay,
deducted
is a considerable tax on his pay.
He is an excellent workman & most
useful in the Brickfields.
