Copy of letter from the Executive
Engineer, Madras Division, to the
Dypty Engineer, B. G. Circle, N. 330 SB.
d/ 1st August 1892.

37/1

Adverting to my letter N. 275 SB.
dated 9th Instant, I have the honor
to forward herewith an estimate
of Rupees 480/- for 20 Chinese pumps
to be supplied by the Public Works
Workshops and request that the same
be sanctioned.

2. As instructed in your receipt
N. 1314 M.D. dated 11th March 1892, the
estimate of Rs 2250 for 12 Archimedian
screws sanctioned in P.W.G. N. 765.W
dated 8th March 1892 may be can-
celled and the present estimate
of Rs 480/- sanctioned in lieu of it
and funds allotted.

3. I have to state that 3 Archi-
median screws were received from the
Tinnevely Division and their cost
is not yet communicated, and, I
believe

believe, they are classed under General Tools and Plant of that Division and their transfer is numerical.

N^o 480 md d/ 13 August 1892
D-15/-

Copy forwarded to the Chief Engineer S.P.W with reference to G.O. N^o 765. W. d/ 8th March 1892.

2. In communicating the G. O. above quoted, the Executive Engineer was asked to arrange for getting Chinese pumps made in the Public Works Workshops, instead of the Archimedian screws, and to have the 3 screws in the Tinnevely S^y transferred to meet the then demand. Accordingly an estimate amounting to Rs 480 for 20 Chinese pumps has been received with the foregoing letter and sanctioned by this office. The estimate sanctioned in the G.O. under reference for Archimedian screws should now be cancelled.

3. It is also requested that the sum of Rs 480 required to meet the present estimate under Tools and Plant, be transferred from the grant under Provincial-Civil Buildings - Repairs, Madras Division.
