26TH AUGUST 1892, No. 2377 W., PUBLIC WORKS.

GOVERNMENT OF MADRAS.
PUBLIC WORKS DEPARTMENT.

General.
Account.

READ—the following paper:—

From the Executive Engineer, Kurnool division, to the Superintending Engineer,
III Circle, Bellary, dated 1st August 1892, No. 302.

I have the honour to enclose a statement showing the state of the famine outlay in this division and the allotments required to cover the normal outlay to be finally accounted for in this department. The additional allotment now required is as follows:—

Incorporated local works Rs.
25,000

2. The number of the famine labourers is steadily decreasing from the last week of June 1892, and it is unlikely that any relief operations will be necessary by the end of October next. I have therefore estimated for the famine outlay to be incurred up to end of that month. The amount does not bear any proportion to the expenditure in the last two months, as the number of labourers is expected to be much smaller.

3. I beg to ask that early sanction may be obtained, as the Examiner has already refused to issue credit orders for August 1892 for which month I applied for a sum of Rs. 24,000.
