PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following paper:—

From the Director of Public Instruction, of 19th July
1892, No 9738.

Order, of 17th August 1892, No 606.

It is observed that the Consulting Architect considers that the roof of the Pottery shed is in no immediate danger and as large sums have recently been sanctioned for expenditure on the school of arts the Government considers that this item should be allowed to stand over.

2.

The cost of widening and re-roofing the room adjoining the Carpet-weaving Department will apparently be small and plans and estimates for execution of this work may be submitted.
