From the Secretary to the Government of India, Military Department, to the Secretary to the Government of Madras, Public Works Department, dated Fort William, the 10th December 1892, No. 3607-M.W. (Accounts).

The procedure authorised in letter No. 604-M.W. of the 7th March 1891 for the administration of the grants for minor and petty military works not having worked satisfactorily, I am directed to state that the Government of India have decided that, with effect from the commencement of the ensuing financial year, the former practice should be reverted to, under which grants were placed at the disposal of local Governments and Administrations for expenditure on minor works under their control and the expenditure finally adjusted in the accounts of the division in which incurred.

2. The necessary alterations in the grants provisionally sanctioned for 1893-94 will be made by the Government of India in passing orders on the Military Works budget estimates.

ORDER—dated 23rd December 1892, No. 3516 W., Public Works.

Communicated to the officers concerned for information and guidance with reference to the undermentioned orders:—

G.O., No. 830 W., dated 21st March 1891.

Simla, 10th August 1892.

Sir,

In continuation of this office letter marginally noted, I have the honour to forward a copy of the following letter, No. 3823, dated 14th Sept. 1891, from the Examiner of Military Works Accounts, and to request the favour of the necessary instructions being issued to officers under your control.

I have the honour to be,

Sir,

Your most obedient servant,

H. Anst. Lieut-Col., R.E.,
for Director General of Military Works.

No. 751-Bt., dated 28th July 1892.

From—The Examiner of Accounts, Military Works,
To—The Director General of Military Works.

Estimates, sanctions, &c., connected with Military Minor Works carried out by Provincial Public Works Department Divisions.

With reference to your Circular letter No. 3818-24, dated 14th September 1891, I have the honour to bring to notice that estimates, sanctions, &c., relating to Military Minor Works carried out on behalf of this Administration by Provincial Public Works Department Divisions are not generally received in this office with such regularity as is desirable; the result being that expenditure which has been incurred in an authorized manner against duly sanctioned estimates has to be treated as objectionable and frequent calls for the sanctioned estimates are thereby necessitated.

2. With a view to the reduction of correspondence and of the amount of outlay held as objectionable, I beg to suggest that Local Governments and Administrations may be addressed on the subject in order that the officers under their control may be instructed to send forward the necessary estimates, &c., with greater regularity in future.

With 10 spare copies.
