CIRCULAR No. 6 of 1892.

From

I. S. SHERLOCK-HUBBARD, Esq.,

EXAMINER, PUBLIC WORKS ACCOUNTS, MADRAS,

To

ALL EXECUTIVE ENGINEERS.

Madras, 30th June 1892.

SIR,

A reference to the Madras standard form of Schedule of Expenditure (No. 47) will show that column 15 was intended to be used to show the state of each work as regards completion; but as this information is never given it has been necessary for this office to enter into special correspondence with Executive Engineers in order to ascertain the works for which Completion Reports are due. This obviously gives needless trouble both to Divisional offices and to the Examiner's office; and I have therefore the honour to request that the illustrations in the standard form may be studied by Divisional Accountants, and that full effect be given to them commencing with the accounts next submitted.

I have the honour to be,

Sir,

Your most obedient Servant,

I. S. SHERLOCK-HUBBARD,

Examiner of P. W. Accounts, Madras.
