TECHNICAL NOTE.

Connecting old European barracks
at Arni in the North West Dist.
into 20 Police huts.
Amount of estimate Rs 5120

This estimate is framed with
reference to G.O. No. 1636 W. dated
26th Feb. 1892. It provides for
connecting the old European
barracks at Arni into quarters
for 20 Police Constables.

The alterations proposed
are somewhat similar to
the standard design as
submitted with G.O. No. 93 W.
dated 14th Jan. 1890 except
that the size of room is
made twice the sanctioned
area, viz 12' x 16' instead of
12' x 8' as provided in the
standard plan.

The cross & partition walls
are to be built of brick in clay
& plastered with mud for the
cross

Cover wall in corner the court
yard & verandah walls finished
with 2 coats of chunam. The ex-
isting arched roof is proposed
to be covered over with hinged
terraces so as to allow the
roof drainage to pass over the
verandah roof which are
of plain tiles which are better
- less expensive & palmyra rafters.
No windows are provided, but
in the report it is stated that
they are necessary owing to
ventilation in the roof & walls.
This is not shown in the plan.
The roof ventilated with any
how have to be closed ~~over~~
owing to hinged terracing
covering over it.

The rates are fair.

The cost per hut by the
alteration is Rs. 2.50. This
appears high as ~~no~~ new
structure could be built for
this sum but the accommo-
dation provided is double the
sanctioned dimensions.

The plan & estimate have been
submitted to the Insp. General
of Police & approved in the
Judicial Dept.
