1st AUGUST 1892, No. 777, REVENUE.

GOVERNMENT OF MADRAS.

REVENUE DEPARTMENT.

READ—the following Proceedings of the Board of Revenue (Land Revenue), dated 17th February 1892, Mis. No. 1153:—

THE HON. MR. J. GROSE.

Read—the following letter from W. A. HAPPELL, Esq., Collector of Godáviri, dated 12th January 1892, No. 19:—

In reference to paragraph 6 of G.O., No. 1556, Judicial, passing orders on my proposals for redistribution of the Agency charges, I have the honour to report that if the Yernagudem Taluk cutcherry is not placed at Kovvur it should remain where it is at Tallapudi. Potavaram would never do. The rich and populous part of the taluk all lies along the river and the Ellore canal. The central and eastern portion consists mainly of scrub jungle with small and in general poor villages interspersed in it. As there will be a railway station at Kovvur within a year and the line runs through the most populous part of the taluk for nearly 30 miles, I consider Kovvur is entitled to the preference. The cutcherry building at Potavaram, whatever its value, is, as I have already reported, much too small for the requirements of a Tahsildar's office and new buildings therefore require to be erected on the plan laid down in G.O., dated 13th November 1891, No. 5827, Revenue, whereon the taluk head-quarters may be located.

Resolution—dated 17th February 1892, Mis. No. 1153.

Submitted to Government with reference to paragraph 6 of G.O., dated 5th August 1891, No. 1556, Judicial.

2. The Board thinks the Collector has made out a good case against locating the head-quarters of the Yernagudem taluk at Potavaram, and as Government has disapproved of his proposal to fix them at Kovvur, would leave them at Tallapudi.

Copy to the Collector of Godáviri.

Reference thereon, dated 8th March 1892, No. 445.

With reference to his letter, dated 12th January 1892, No. 19, to the Board of Revenue, the Collector of Godáviri is requested to supply at an early date the detailed information as to existing and proposed buildings at the various stations suggested as the head-quarters of the ordinary portions of the Yernagudem taluk which was called for in paragraph 6 of G.O., dated 5th August 1891, No. 1556, Judicial.

Acting Under Secretary.

To the Collector of Godáviri, through Revenue Department, and Board of Revenue.

Forwarded to the Collector of Godáviri for early report.

Read—also the following Proceedings of the Board of Revenue (Land Revenue), dated 3rd June 1892, Mis. No. 3252 :—

MR. E. GIBSON.

Read—the following letter from A. W. B. HIGGINS, Esq., Collector of Godáviri, to the Secretary to the Commissioners of Land Revenue, dated Rāmāchandrappur, 14th May 1892, No. 328 :—

I have the honour to reply to the Board's reference order, dated 18th March last, on Government Register No. 658 of 1892, regarding head-quarters of the Yernagudem taluk.

2. Of the three stations mentioned in this connection, viz., (1) Tallapudi, (2) Kovvur, and (3) Potavaram, no Government buildings exist at either (1) or (2). At (3), Potavaram, there is an old Government building formerly used by the Deputy Tahsildar, which has been vacant since the station was abolished 10 years ago. A rough sketch furnished by the Tahsildar is enclosed. He estimates the original cost at between Rs. 4,000 and 5,000. The building is much too small for a Taluk office, but might, with some improvements, be made to give just sufficient accommodation for the records or treasury, the rooms on the east side being utilized for the sub-jail. For the other purposes of a Taluk office, therefore, additional buildings would have to be erected and would cost more than Rs. 20,000. The present buildings at Potavaram may, if sold, fetch Rs. 2,000.

3. A new Taluk cutcherry at Tallapudi would probably cost not less than Rs. 27,000.

Resolution—dated 3rd June 1892, Mis. No. 3252.

Submitted to Government with reference to its endorsement of 14th March 1892, No. 639, on memorandum from the Judicial Department, dated 8th March 1892, No. 445.
