Consulting Architect

9 August 1892

From
Captain W. M. Ellis R. E.
Assistant Engineer in charge
South Sub Division
The Secretary to the Govt. of Madras
In the P. W. Department.
The Genl. Architect to Govt. of Madras.

Sir. With reference of my letter No. 178 dated 9-6-92 which was forwarded for consideration of the Govt. of India under G. O. No. 1799 W of 16 June 92.

In the event of the decision on the questions referred to being to effect that the term applied in G. S. R. Act 346 (b) "An officer who entered Civil Employ before 1st April 1888" is applicable to my Case and further that when such an officer is on furlough he draws allowances subject to the same minimum as a Covenanted Civil Servant. (viz £125 a quarter), I would ask to be permitted to engage for permanent Service

Service under the Govt. of India.
In short if by engaging for permanent service under the Govt of India I become subject to "Civil Leave Rules" and furlough allowances at a minimum rate of £125 a quarter with respect to the whole of the furlough earned during my service in India up to present date. I request permission to so engage.

2. In the event of my services being accepted. I would ask that the 2 years furlough which has been granted me under the Military Furlough Rules of 1868, as an Officer who has not volunteered for permanent service in India may be altered to furlough under Civil Leave Rules and an amended last pay Certificate despatched to the India Office dealing with the altered rate of furlough allowances which thereby becomes due to me.

I have the honor to be

Yours most obedt Servt
Wm Min Capt. R. C.
Sperdant Engineer
