From A. A. G. Malet Esq.
Executive Engineer, Krishna Waters
Division, to the Suptg Engineer 2nd Circle, 10th Divⁿ
10-8-92

I have the honor to submit for sanction
an estimate for the manufacture of lime
at Tadheerwarra for 1892-93, and to state
that the increase in the rate of output
of lime from Rs 4.4.3 to Rs 4.8.0 as compared
with the last year's estimate is chiefly
due to a monthly debit of Rs 50 to
manufacture on account of credit
to Land & Khans instead of Rs 22 as
in the previous years.

The balance of stock at end of
June 1892 against the Sanctioned Reserve
Limit of Rs 8000 is Rs 5269

No 1229 Ks dated 17th August 1892.

Forwarded to the Chief Engineer,
Public Works Department, together with the
estimate, for favor of approval and
obtaining the necessary sanction of Govt.
Previous year's estimate was sanctioned in
G.O. No. 2311 W of the 27-8-91.

W Martin
Suptg Engineer, 2nd Circle
