TECHNICAL NOTE.

Converting a room in the Tahsildar's
Office at Calicut into a Treasury
room. Estimated Rs 160

This estimate provides for con-
verting the side room of the
old Hospital in the Dist. Jail
at Calicut now occupied as
the Tahsildar's Office into a
Treasury room.

The partition wall in the ver-
andah is to be removed & a
new wall built in continuation
of the existing front wall as to
form a Treasury room 18'3"
x 9'0" & fitted with an im-
munable door. The estimate
also provides for removing the
cash chest from the present
Tahsildar's Office & placing it under
guard in masonry in the
new Treasury.

The rates are fair.
The work does not appear
to be

to be a safe one for a treasury,
neither in these days, nor
during for the Police guard to watch
it.

The estimate has been considered,
signed by the Collector & approved
in the Rev. Dept. for recording
by this Dept.

The estimate may be returned
to the Sd. IV Circle for recording
