Certified that J. C. P. G. Pan
Surgeon Major Zilla Surgeon, Masulipatan
has carefully examined Mauchirazu Krishna
moorthy (Son of M. Prakasam Ram) his
age is by his own statement 30 and by
appearance about 30 years. I consider M.
Mauchirazu Krishna moorthy to be completely and permanently
incapacitated for further service of any kind
in the Department to which he belongs in
consequence of cataract of both eyes and
double inguinal (not legible afterwards)

His incapacity does not appear
to have been caused by irregular and
intemperate habits.

J. D. Grant Esq. re,
Eastern Delta Divisional
Officer, Kistna District.
The humble petition of Manching
Kristnamurti of Akntamanna,
late Channel Superintendent.

Most honored Sir,
In the Department of Public
Works, I served for nearly 23 years during which
I had to Superintend the construction of the
Anicut across the Godavary and subsequently
that of the Kistna at Bezwada; on the completion
of these grand works, I was offered by Colonel
Orr whom I followed from the Godavary
a Channel Superintendent's place which, after
23 years, I lost in the Revision of 1878. A con-
siderable number of navigation and irrigation can-
als were constructed under my supervision &
the manner in which they exist at present
is ample testimony of the labour and pains
which I bestowed on them.

In accordance with G. O., No. 309
April 1878, Channel Superintendents were
discontinued and Delta Superintendents
instituted but according to subsequent
G.O. of 20th May 1878, they were thrown
back to the former position.

authorities for re-employment, who in

give him employment on the score of his
-ing a Medical certificate debarring him from
employment (Vide Que III & IV) Being in a
dilemma as to further procedure because he
was debarred from re-employment by the
Medical certificate on the one hand, and because
no saving was effected by the revision to cover
his pension and that of others who were similar-
ly circumstanced, on the other, he represented
this aspect of affairs to Government of Madras
and an endorsement was given No. 47 dated 9th
January 1882 that it would leave any petition
of his (petitioner's father's) unnoticed unless
and until accompanied into orders, if any,

with the G. O., referred to above.
in view of these to Government, it

Mr. Kishnamurti left uncared for by
Government which declined to grant
either pension or gratuity, prepared
an appeal to the Government of India,
Madras Government flatly declined
ward it on to the Indian Government.

Sec. II)

On his hearing this unfavourable and final
Mr. Kishnamurti became disheartened
and he received neither pension nor retiring
allowance for his long and faithful service
which he rendered to the Department of Public
Works.

7. Mr. Kishnamurti survived this order of
Government but a few years. Thus ends
the history of the petitioner's father and begins
that of petitioner.

8. The Petitioner is the eldest
son of Mr. Kishnamurti so well-known to Govt.
in connection with Public Works Department
as he rendered excellent service and the

the most important works in course
the construction of the Aricew in the
and the Kistua District and a great
of navigable and irrigation canals and
and locks in the latter owe their existence
unremitting and solid labour, which he
bestowed so lavishly on all these works
a view of being amply rewarded by Govt.
ment in his old age; and the Petitioner
endeavours in this humble petition to lay
Your Excellency the whole history of his father's
solid labour which was unrewarded for the
simple reason that no saving was effected by
the Revision — an instance unprecedented
in the annals of British administration of
justice, and beseeches Your Excellency to
compensate the deceased for his long service
in the shape of a Delta Superintendent's
place being offered to his son, the Petitioner,
which he is competent to hold. Petitioner
craves that the above post be given him in
the Kistua or Godavery District.

9. With regard to his attainments, he
humbly beseeches to submit that he has
passed the Middle School Examinations in

Class and the following

in Registrations Head clerk
in Sales Commission

above posts were held in the Guder
Hore District; he is also acquainted
very, a slight knowledge of which
utual to carry out efficiently the
of a Delta Superintendent, and is
currently the Fish-curing clerk in the office
Assistant Commissioner of Salt and
and Revenue, Nollan Salt Division.

As the Government is not disposed
take notice of petitions for appointments
in the gift of the Heads of Departments, he
first presented this humble petition to
the Superintending Engineer and Circle, Kishan
District to be by him forwarded to your
Excellency for favourable consideration, but
he endorsed on the petition that it might
be submitted direct. The petitioner has
accordingly submitted this humble petition
for favourable consideration of Government,
and expresses a desire of his being offered
the post he aspires to. For which

which act of kindness and mer-
cy he is duly bound, ever pray.

He begs to remain
