Tinnevely Collector's office.

Dated July 29, 1892.

No. 515

From

BOARD'S GEN. REG. NO. 2132 of 1891
LAND REVENUE.

G. S. Forbes Esquire,

Collector of Tinnevely.

To

2602/1

The Secretary to the Commissioners
of Land Revenue, Madras.

Sir,

I have the honor to reply to Board's reference dated 17th February 1892 on general register No. 398 of 1892 regarding improvements to the English record room in the Collector's office.

2. The existing space 2240 square feet in the three record rooms, I find to be sufficient for the present. By rearranging the almirahs and shelves at right angles to the wall and back to back, I have made a large amount of wasted space available. With regard to the repairs, the centre room of the three was repaired in 1889, but the two side rooms require attention. The walls and the terrace are cracked and the roof is unsound and leaky. The Executive Engineer inspected the rooms and is of opinion that these two side rooms require almost entire reconstruction. The work is

likely to cost ^{about} Rs 4,700/- I request that the sanction of Government may be obtained for repairs being carried out by the Department Public Works.

I have the honor to be,
Sir,

Yours most obedt servant

W. J. Jones,
Collector.

Proceedings of the Board of Revenue

(Land Revenue),

Dated 17. August 1892,

No. 5138 Mis.

2602/2

Mr. E. Gibson.

READ the following:-

- (1) The following letter from G. S. Forbes Esq., Collector of Tirunelveli to the Secretary to the Commissioners of Land Revenue, dated 9. February 1892, No: 103:-

I have the honor to submit herewith for the sanction of Government a plan and estimate for Rs 7300/- for the improvement of the English record rooms of my office.

And the following Reference thereon dated 17. February 1892:-

The Board observes that there are 2240 sq. ft. available for records

the existing record rooms. If more space is needed, the necessity for it should be fully explained. The executive Engineer in his report merely states that the Collector desires extra accommodation.

(2) Letter from the same officer dated 29 July 1892, No. 515.

Resolution

Submitted for the sanction of Government.

2. The plan and estimate referred to in the Collector's first letter and returned to him with the Board's reference thereon, have not been again submitted, as he has now withdrawn his proposals to provide extra accommodation for his records and merely wishes to get the existing record rooms repaired by the Public Works Department.
