Sir,

With reference to your endorsement No. 184 dated 12th May 1892 I have the honor to report that on going over the proposals for the new pier for Tuticorin with the Presidency Port Officer many points came up which can only be settled on the spot and the Port Officer was of opinion that the matter could only be settled on the spot by the Tuticorin Port Officer and the Executive Engineer of the District.

I therefore return the papers enclosed.

I have &c
