No. 1584
Superintending Engineer's Office,
3RD CIRCLE
Bellary 24 September 1889.

FROM Col. H. Smalley R.
THE SUPERINTENDING ENGINEER,
IIIRD CIRCLE.

TO THE Chief Engineer
P. W. Dept.
Maddur

SIR,

Enclosures.

I have the honor to request that you will be good enough to obtain the sanction of Government to enable the Examiner P. W. Accounts to pass the pay during transit of Messrs Venkatarama Iyer from 15th to 26th November 1889.

Examiner in his disallowance list of Kurnool Division for January 1889, states that sanction of Government is necessary under para 433 A rule 1 of P. W. D. Code.

From the wording of the para in question it is observed that Govt. sanction is necessary only in the case where a Civil Officer who

has no substantive appointment
is transferred from one appoint-
ment to another under the Madras
Government.

In the present case this
subordinate was transferred from
6: circle to 3: circle and his
appointment was made sub-
protem from 11: November/89
and therefore it is not under-
stood whether the sanction is
necessary in this case.

I take this opportunity of
requesting you to kindly inform
me if Government sanction is
necessary in cases where sub-
ordinates that have no substan-
tive appointments are transferred
from one division to another in
the same circle.

I have the honor to be
Your obedient servant
Supt. [redacted]

To W.

The claim to transit pay will
be admitted, if sanctioned by Govern-
ment under code para 433 A., note I.

2. Under article 110 of Civil Ser-
vice Regulations, the status of an of-
ficer appointed sub-pro-tem is that
of an acting officer, i.e. an officer
without a substantive appointment. The
rule therefore applies to all cases
of individuals holding sub-pro-tem ap-
pointments, whether transferred within
or from one Circle to another.
