Government of Madras.

MILITARY DEPARTMENT.

Fort St. George the 23 January 1892.

From the Quarter Master General
to the Secretary to the Government of Madras
Military Department, C^o of M. D. dated
6th January 1891.

With reference to para 2 of G. O.
C^o 5924 of 24th October 1891, I am desired to
report for the information of Government,
that having consulted the General Officer
commanding Madras District the
Commander in Chief is of opinion that
it would not be a desirable arrange-
ment to utilise a portion of the Sub-
magistrate's bungalow at Arkonam, which
is to be converted into a Military Rest House
etc. as a Public Works Inspection Bungalow.

2. His Excellency would suggest however
as a possible means of meeting the requirements
of the case, that after the new Rest House
Superintendents' quarters have been provided
at Arkonam, the existing Superintendents'
quarters be handed over to the Public Works
Department to be utilised in the manner
above indicated. The existing Rest House
will thus still be available for conversion
into quarters for the Sergeant Instructor

Madras.

Madras Railway Volunteers

3. I am to add that the Executive Engineer Madras Division, Military Works states that the building proposed to be handed over as a Public Works Department Inspection Bungalow, may, with certain alterations, be made almost exactly similar to the Forest Inspection Bungalow, which is situated to the south of the old Sub Jail.

Order: — Communicated to the Public Works Department, with reference to para 2 of G. O. N. 2588W. dated 28th September 1891.

2. From para 1. of the Quarter Master General's letter above recorded, it is observed that His Excellency the Commander-in-Chief is of opinion that it would not be desirable to utilize a portion of the Sub Magistrate's Cutcherry at Arkonam as a Public Works rest house. The question whether the

the suggestion contained in para 2 of the Quarter Master General's letter will meet the requirements of the case will therefore be considered in the Public Works Department.
