To,

The Chief Engineer, 2057/1
P.W. Department.

Sir,

I have the honor to report, with reference to your Endorsement No. 4116C dated 9th September 1892, that the late Executive Engineer Major Rawson, R.E. was of opinion that it would be useful as a Rest House in the neighbourhood of the Aliabad Anicut and System of tanks, but on considering the question, I do not consider that any funds in this Department should be spent on the purchase of the building for that purpose.

I have the honor to be,
Sir,
