26TH SEPTEMBER 1892, No.-2665 W., PUBLIC WORKS.

GOVERNMENT OF MADRAS
PUBLIC WORKS DEPARTMENT.

Buildings and Roads.
Civil Works.

READ—the following paper:—

From W. HUGHES, Esq., Superintending Engineer, V Circle, to the Chief Engineer, Public Works Department, dated Chepāk, 12th September 1892, No. 418 W.

With reference to para. 2 of G.O., No. 2316 W., dated 19th August 1892, I have the honour to forward copy of a letter No. 512, dated 7th September 1892, received from the Military Secretary to the Right Honorable the Governor regarding the necessity for the additional servants' quarters at Government House, Guindy, estimate Rs. 2,000.

ENCLOSURE.

From Captain B. T. LAWLEY, Military Secretary to the Right Honorable the Governor, to the Superintending Engineer, V Circle, dated Ootacamund, 7th September 1892, No. 512.

With reference to your letter No. 593 C.N., dated 24th August 1892, to the Executive Engineer, Chingleput division, I have the honour to state that the reason why application was made for additional servants' godowns was that the present number was found quite inadequate. Former Governors having lived in Madras Government House this want was not felt hitherto, but, as it appears that His Excellency Lord Wenlock intends to reside almost entirely at Guindy, the want of accommodation for servants causes much inconvenience. No houses seem to be available in Saidāpet, and, as the servants mostly live in and about Triplicane, it not only is very hard on them to have to constantly walk backwards and forwards, but the loss of time occasioned thereby is an inconvenience to the establishment.

ORDER—dated 26th September 1892, No. 2665 W., Public Works.

The estimate, amounting to Rs. 2,000, for constructing six additional servants' quarters at Government House, Guindy, is sanctioned for execution when funds are available.

2. This sanction has been registered as Provincial No. 64 W. of 1892-93 and classified as Civil Buildings, Original Works.
