Total ... 50,634

3. As the revised estimates of quantities in connection with the type designs for taluk cutcherries have been issued, it should be practicable to utilise at once a large portion of the grants for the offices at Tiruchengód and Tirupatúr on the collection of materials and subsequently to spend a further sum on actual work before the close of the official year. A sum of Rs. 5,000 only has therefore been withdrawn from each building, leaving a similar amount available for expenditure.

4. The estimate for constructing a District Munsif's Court at Karkál does not appear to have been submitted for the sanction of Government. The Superintending Engineer, IV Circle, will explain the cause of delay. Pending receipt of this explanation, the surrender of the grant for the work will be held in abeyance.

West Coast division—Communications, repairs	Rs. 22,000
Coimbatore—Miscellaneous public improvements, repairs	2,600

Vypeen—Works	Rs. 2,000
Cochin do.	2,170
Establishment	959
Tools and plant	63
Total	5,192

6. The surrender of the grants for constructing groynes to prevent erosion of sea at Vypeen and protecting the foreshore at Cochin will, with the usual percentage charges for establishment and tools and plant as shown in the margin, be replaced at the disposal of the Financial Department.

7. The Quartermaster-General having reported in para. 4 of his letter No. 2058 M.W., dated 9th September 1891, printed with G.O., No. 2619 W., dated 20th September 1891, that the balance of the estimate for constructing sheds for transport animals at Calicut would be provided from the reserve in the budget estimate for 1892-93, there is no necessity to make a special allotment during the current official year for which the sanction of the Government of India would have been required.

8. The sum of Rs. 180 surrendered from the grant to the Coimbatore division under Imperial Civil Works, Telegraph Repairs, will be resumed and credited to the reserve under that head.

9. Application will be made to the Government of India for the transfer, as shown below, of Rs. 1,240 from Telegraph to Postal Repairs to meet the requirements of the Coimbatore and West Coast divisions:—

<i>From</i>		<i>To</i>	
Imperial Civil Works. Telegraph Repairs.		Imperial Civil Works. Postal Repairs.	
Reserve with the Government	Rs. 1,240	Coimbatore division	Rs. 840
		West Coast do.	400

Superintending Engineer,
Fourth Circle.

To

The Chief Engineer,
P.W. Department.

Sir,

With reference to para 4 of G.O.
dated 7th November 1891, No 2977 W calling
for an explanation as to the cause of delay
in submitting an estimate for a District
Munsiff's Court at Karkal, I have the
honor to state that the plan and estimate
for the work are recorded in the District
Court, South Canara.

In his No 109 of 29th August 1890,
the District Judge writes that there is
no present necessity for the proposed new
Court building at Karkal, as the possibility
of a Court being permanently required
there

there seems now rather doubtful."

I have the honor to be,

Sir,

Your most obedient servant,

Wm. B. McKim
Superintending Engineer, W. Circle.
