SIR,

With reference to the Notification published at page 853 of the Fort Saint George Gazette dated the 18th August 1891, I have the honor to inform you that Mr. C. Mitford-Smith, Executive Engineer, in charge of the Godavari Eastern Division, held the charge of the officiating Superintending Engineer 1st Circle, in addition to his own duties, from the afternoon of the 4th September 1891, to the afternoon of the 4th October 1891, and the Examiner of the P. M. Accounts objects to admit the officiating allowance, claimed at the rate of $\frac{1}{10}$ of the salary of Superintending Engineer 3rd Class, under article 178(h) III of the Civil Service Regulations, & states that sanction of Government fixing the amount should be obtained under article 184 II of the Civil Service Regulations. I therefore request that you will be so good as to obtain the requisite sanction of Government, to enable the Examiner to pass the allowance accordingly.

To W.

In my opinion, the rules that
bear on the case are those contained in
Civil Service Regulations Articles 139 and 186,
and under Article 120, no officiating
allowance is admissible to Mr. Smith for
the first 30 days of Mr. Wybrno's absence.
2. As however, I have a doubt as to
whether Civil Service Regulations Article 184
may not apply to the case, I have referred
the matter to the Accountant General P.W.
Department, whose reply will be communi-
cated to you immediately on receipt.
In the meantime, I would suggest that
orders sanctioning any acting allowance may
be held in abeyance.
