No. 1704. PR

OFFICE OF THE SUPERINTENDING ENGINEER,
PERIYAR PROJECT.

2736

1st October 1890.

From

Major Mackenzie Campbell, R.E.

Superintending Engineer,

Periyar Project.

To

The Chief Engineer
P. W. D.

Sir,

ENCLOSURES. 1-

With reference to G.O.
No 2010.W dated 23rd July/90,
I have the honor to forward
herewith the Executive Engineer's
replies to the remarks of the
Examiner P. W. Accounts in
his No 2658.C. dated 16th June/90.
As regards para 2 of the G.O.
the Executive Engineer fully
explains the circumstances

Yours truly

under which he found it necessary
to start a Government Bazaar
and I consider that he was
quite justified in doing so
and that by his prompt action
he prevented the work coming
to a stand-still at a critical
stage. In maintaining a Government
Bazaar at Periyar of course inter=
-feres with private enterprise
but it is difficult to see how
this can be avoided without
the progress of the works being
retarded. There is not likely
to be any competition here and
if one man had the monopoly
of the supply of food grain,
he would very probably raise
the prices or sell inferior
articles in the former case,
the

the coolies would leave the
works for 2 or 3 days ^{2 or 3} while
they went to the plains to buy
supplies and in the latter
case sickness might be
caused.

3. There is no doubt that
there is risk of loss in maintaining
a Government bazaar and
there ^{are} also other objections to this
course, endeavours will therefore
be made to get private indi=
-viduals to sell food supplies
but till such time as this can
be arranged and the arrange=
-ment is in full swing and found
to succeed I request that the
sanction of Government may
be given to the maintenance of
a Government Bazaar at the Periyar.

I have the honour to be
Your most obedient servant

Wm. Campbell Esq Major R.R.
