In continuation of my letter No. 7906/1665, dated the 20th June 1892, I have the honour to give in the margin the approximate amount required for the maintenance of the buildings therein referred to during the current year, as desired in G.O., No. 1633, dated the 30th May 1892.

ORDER—dated 3rd October 1892, No. 2737 W., Public Works.

In para. 1 of his letter No. 1730—391-91, dated 23rd May 1892, printed with G.O., No. 1633 W., dated 30th May 1892, the Resident in Mysore states that repairs to the Imperial buildings in that State have hitherto been undertaken by the Mysore Public Works Department when called upon to do so by the Imperial officers concerned, and that, as regards the repairs to the old Anche buildings taken over by the Postal Department, the Executive Engineers have been authorised by the Durbar to attend to requisitions from the Postal authorities, in cases in which the cost exceeds Rs. 300. The maintenance grants reported to be required for the buildings during the current official year being less than Rs. 300 in each case, it is necessary to ascertain whether the Mysore Government has any objection to allow its Public Works officers to carry out all repairs to those buildings irrespective of cost. The necessary inquiry will be made in the Political Department.

2. It will be observed from para. 2 of the Resident's letter above referred to that the Mysore Government is not aware of the arrangements agreed to by the Superintending Engineer, V Circle, and the Mysore Public Works Department, regarding the maintenance by the latter of the Imperial buildings in Mysore on payment of agency charges at 10 per cent. on the outlay on "works." The Resident in Mysore will, therefore, be requested in the Political Department to state whether that Government is willing to accept the usual rate of 10 per cent.

3. In G.O., No. 1347 W., dated 28th April 1892, a sum of Rs. 360 was allotted for repairs to the post office at Mysore in the current official year. As the Postmaster-General now applies for a grant of Rs. 150 for the maintenance of the building, he will be requested to report whether the latter sum is required in addition to, or in lieu of, the allotment of Rs. 360 already sanctioned.
