GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

Buildings and Roads.
Civil Works.

Read—the following papers :—

Proceedings of the Board of Revenue (Land Revenue), dated 25th November 1891, Mis. No. 8365.

The Hon. Mr. J. Grose.

Read—again Proceedings of the Board of Revenue (Land Revenue), dated 22nd July 1891, No. 5167.

Abstract.—Stating that the Board has no funds available to meet the cost of record racks required by the Collector of Nellore and requesting the same officer to have the necessary estimates prepared by the Public Works Department and submit them for sanction.

Read—also the following paper :—

From C. D. MACLEANE, Esq., Collector of Nellore, dated 1st November 1891, No. 2128/Eng.

With reference to Board's Proceedings (Land Revenue), Mis. No. 5167, dated 22nd July 1891, I have the honour to enclose, for sanction, the plan and estimates for record racks prepared by the Public Works Department.

Resolution—dated 25th November 1891, Mis. No. 8365.

With the last paper read above, the Collector forwards a plan and an estimate for Rs. 2,460 for making 12 iron record racks and two wooden ladders for the use of his office. They are to replace five wooden racks and some shelves which are reported to be damaged by white ants. Iron record racks are therefore considered necessary.

2. The sanction of Government is requested for the expenditure and for the necessary provision being made in the Public Works budget.

Collector's Office at Nellore

Estimate of Rs. 2,460 for providing iron record racks for the —, sanctioned for execution when funds are available.

No. 573/ Eng

NELLORE COLLECTOR'S OFFICE,
Dated 17th March 1891.
Despatched 20th March 1891

From C. D. Macleane, Esq.,
Collector of Nellore.

W 273/3

BOARD'S GEN. REG. No 1021 OF 1891
LAND REVENUE.

To the Secretary to the Board of Revenue
Land Revenue Madras.

Sir,

1. The record rooms of this office are subject to frequent ravages of white ants, &c and the representations of the record-Keeper on that head have lately become incessant.

2. The District Engineer who was consulted for remedial measures has proposed two alternative courses (a) to substitute iron racks entirely for the existing wooden shelves at a cost of Rs 8350 and (b) to Saturate the walls and floor of the rooms with arsenical solution as a temporary measure.

3. The latter course appears to be dangerous to the health of persons working in the rooms.

4th para.

[Eng.; 21-10-89.]

4. Twelve iron racks of the pattern already supplied to this office vide Boards Proceedings No. 5639 Mis. L. R. dated 17th September 1889 will suffice for present requirements, and I have the honor to request that this supply may be ordered as there seems little doubt that iron racks are the proper prevention for this pest of white ants.

Comms G.o. 6-5-83 / 5636

5. The cost amounting to Rs 2.460 at Rs 2.05 each may be ordered to be met from Board's Reserve if the Board think fit. The District Budget contains no provision.

I have the honor to be
Sir
Your most obedient Servant

BOARD'S GEN. REG. No 1910 — 1891
LAND REVENUE

To the Secretary to the Board of Revenue
Land Revenue - Madras -

Sir,

I have the honour to reply to Board's Reference on General Register No 1021 dated 9th april 1891.

2. The existing racks (other than the 3 new iron-racks) are wooden ones 5 in number, and white ants make their way through the feet which are buried in the ground.

3. Besides the racks, there are also wooden shelves let into the walls. The white ants are most destructive in this case, as they come out unperceived from the walls.

4. As stated in the letter under reference 12 additional iron-racks would meet all requirements, 4 of them being of the dimensions given in para 2 of Board's Proceedings No 4819. Mis. dated 14th August 1889, and 8 of $4\frac{1}{2}' \times 1\frac{1}{4}' \times 12'$ ft.

6 × 1¼' × 12'

5. In that case I should get rid of the wooden furniture altogether.

I have the honour to be
Sir
Your most obdt Servant
