To W.

I beg to explain that, as I understand, the code and forms asked for are for the personal use of Mr. Rainier, Examiner, recently transferred from this office. As regards the code and book of forms there would appear to be no objection to their being supplied, but it is a question whether they should be charged for, or given free of cost, and on this point I shall be glad to have the orders of Government.

2. As regards the set letter and other forms in use by the Examiner, Mr. Rainier applied to me for copies of these, and I asked him to await Major Christie's return.

3. These set forms have been drawn up by Major Christie tentatively. Many of them are still incomplete & might be misleading in their present shape. I have no doubt that, after the forms have been completed, and thoroughly

tested by use, Major Christie would be glad to allow any officer to have them, who might care to make use of them, but at present I would deprecate their being sent out, at least without Major Christie's consent.
