Telegram from the Secretary of State, dated 30th September 1892.

FOR ORDERS.

I think the answer should be that whether a reply in the affirmative may be sent. It will be seen from the papers recorded with G.O 1448 W. of 9th May 1892 that the Harbour Trust Board proposed to leave to the authorities at home the decision as to "the terms" of the agreement.

The question does not seem to be as to the terms, but whom to appoint. It does not seem to me to matter.
