OFFICE NOTE No. 152 A

To

W.

In accordance with your telegram dated the 11th. August 1892 communicating sanction to the temporary posting of an Accountant for Nellore Relief Works, I at once posted a second Accountant to the Nellore Division and I have been informed by the Offg. Executive Engineer Nellore Division that the services of this accountant will be required there for some time.

2. As the scale of accountants recently sanctioned in G.O.No. 2341 W. dated 23rd. August 1892 does not provide for such unforeseen demands, I would request sanction of Government to the entertainment of a temporary accountant on Rs. 100 per mensem for famine work for such time as his services may be required in Nellore.

Please state whether the second accountant sent to the Vellore Division is to be given a salary of Rs 100 per mensem.

No. 1081 C of 12-9-92
W.

I understand that a salary of Rs 100 has always been given to an accountant in a famine dist., and unless Govt objects to it, I would give this pay to the additional accountant in the Vellore Dist., to compensate for the expense of a temporary transfer.

We have just heard from the Collector that the Special B.W. establishment in Vellore has nearly finished its work in its charge except a few minor irrigation works. In such circumstances it seems to me that further enquiry should be made as to the necessity for the additional accountant. The expenditure by the B.W. establishment works should be stated.

Sanction is accorded to the entertainment, in the Vellore Division, of a temporary Accountant, on Rs 100 per mensem, until the 31st October 1892, after which date application for renewal of the sanction should be made, if his services are still required in connection with the accounts of famine relief works.

2. This sanction has

been registered as

of 1892-93 and classified
as Establishment,
