He however undertakes to pass these tests if he

he is put in as probationer.

2. I have therefore the honor to enquire whether, conditionally on his passing the above tests within reasonable time, the age bar may be allowed to be suspended in his case.

3. He has good testimonials and G.O. 569 N dated 3rd March 1891 he was specially allowed to be entertained as clerkship in Nellore Division on 20th February.

4. The Executive Engineer selects him for recommendation for the post in question from a number of applications from clerks on the grounds of his practical knowledge and experience of materials and of engineering as well as of accounts and English; whereas it is only of the two last subjects that ordinary clerks have knowledge.

5. As the Executive Engineer is the officer responsible for the stores, I think his recommendation
