GOVERNMENT OF MADRAS
PUBLIC WORKS DEPARTMENT.

General.
Establishment.

READ—the following papers:—

Office-note from the Examiner, Public Works Accounts, dated Madras, 19th September 1892, No. 201 A.

The Government of India has from time to time sanctioned the grant of the following local allowances to Public Works employés in this province whose head-quarters are situated in certain special tracts. The conditions under which each kind of allowance can be drawn are specified against each, as follows:—

Periyár allowance ...	{ G.O., No. 2180 W., dated 18th July 1888. G.O., No. 861 W., dated 22nd March 1889.	{ Permanent staff, for periods spent above the ghâts subject to retrenchment for absences exceeding 10 days.
Upper Godávári allowance.	G.O., No. 1682 W., dated 7th June 1888.	The Sub-Divisional officer, Duma-gudiem.
Wynaad and Vizaga-patam hill tract allowance.	G.O., No. 1948 W., dated 19th July 1889.	Only by officers whose head-quarters are within the tracts and who are not absent from those tracts for more than 10 days.
Ganjam hill tract allowance.	G.O., No. 2165 W., dated 5th August 1892.	Employés in the hill tracts of Ganjam.

2. As this office has no means of verifying whether the specific conditions have been fulfilled in the case of any officer or subordinate for whom the local allowance is drawn, it has been the practice to require from the Executive Engineer concerned a certificate from month to month to the effect that the men for whom the allowances are drawn were actually employed in the special tracts for periods entitling them to the allowances.

3. This practice causes irritation and delay in audit, and I have ascertained from the Accountant-General, Madras, that in the Civil Department such allowances are admitted on the responsibility of the drawer of the bill.

4. A similar procedure in this department would certainly facilitate the audit of such charges, but if it be authorized by Government, I beg that it may be made unmistakeably clear that the officer who signs the salary bill will be held solely responsible that the allowances are drawn in strict accordance with the rules under which they were sanctioned.

Office-note from the Examiner, Public Works Accounts, dated 3rd October 1892, No. 1277 C.

ORDER—dated 8th October 1892, No. 2810 W., Public Works.

The procedure in the Civil Departments will be adopted in the Public Works Department, the officer who signs the salary bill being held responsible that the allowances in question are drawn in strict accordance with the rules under which they are admissible.
