SIR,

Enclosures.

With reference to para 2 of G. O. No. 2364 dated 18th September last I have the honor to report that the Secretary to the Board of Revenue was informed in the official letter No. 6727 dated 17th January 1890 that a sum of Rs. 6000 only could be put before the end of the last official year out of the allotment of Rs. 9,500 sanctioned for the Vokkalai Salt Factory flood bank.

The reason for the lapse of the portion of the allotment was that the progress of the work was checked by water preventing access to the only places whence earth could be obtained for the bunds.

I have the honor to be  
Sir,

Your most obedient servant
