STANDING ORDER.

PUBLIC WORKS DEPARTMENT CODE, VOL. II.

Chapter XV.—Substitute the following for para. 19-A, (as amended by Standing Order No. 201 of 1890).

19-A.—The following procedure will be observed with respect to the provision of funds for public works connected with the Marine, Ordnance, and Commissariat Departments:—

I.—The heads of the departments concerned shall submit direct to the Government of India, in the Military Department, not later than the 1st of October in each year, a statement of the grants required for the completion of works in progress and for new works which they desire to have carried out in the following year. The statement will show the estimated cost of each major work included therein, based, if possible, on detailed estimates prepared by the Executive Engineer, in whose charge the works are. A lump sum should be entered in the statement for minor works, i.e., those costing not more than Rs. 2,500 each. The statement may be accompanied by any special recommendations which the heads of the departments concerned may think desirable. These preliminary schedules of demands for Marine, Ordnance, and Commissariat works will be considered with those for military works, which are submitted at the same time by all local Governments and Administrations, and the Government of India will then apportion to Marine, Ordnance, and Commissariat works such share of the funds available for original works as the relative importance of the works brought forward may seem to require.

II.—On receipt of intimation of the provisional grants sanctioned, the heads of the departments concerned, in communication with the Director-General of Military Works, when necessary, will consider what provision should be made for works in progress, and then decide on the allotments to be made for new major works selected for prosecution during the following year, and the sum to be set aside for minor works. To facilitate the settlement of the amounts required for major works in progress, the several Local Governments and Administrations will furnish the heads of departments, by the 1st September, with a statement showing the probable expenditure against each estimate to the end of the current year, and the amount required for provision in the following year. The distribution decided on will be communicated to the Local Governments and Administrations concerned, including the Director-General of Military Works, with a detailed statement showing the amounts allotted for each major work with a view to these being included in the preliminary issues of their budget estimates. The whole of the grants set aside for expenditure on minor works, whether they are to be carried out by Local Governments and Administrations or by the Military Works Department, will be included in the budget estimate of the Director-General of Military Works, and will be distributed by that officer in accordance with the wishes of the heads of the departments concerned, which should be communicated to him at the time the grants for major works are settled.

III.—The Public Works and Military Works Departments will be responsible for the maintenance of the Marine, Ordnance, and Commissariat works in their charge in a proper state of repair. The amount to be provided in the budget estimate for this purpose is left to the discretion of the Local Government or Administration concerned.

are carried out
from local funds

IV.—When the final budget estimate has been accepted, the funds allotted to Marine, Ordnance, and Commissariat works shall not be available for re-appropriation to other than Marine, Ordnance, or Commissariat works, except with the sanction of the Government of India.

V.—Re-appropriations, within the grant of a Local Government or Administration for Marine, Ordnance, or Commissariat works, may be sanctioned by the Local Government or Administration on the application of the head of the department concerned, under the rules laid down in paras. 192-93 of this chapter. But re-appropriations involving transfers from the grant of one Local Government or Administration to that of another will require the sanction of the Government of India, in the Military Department, which should be applied for by the head of the department concerned.

Accounts.

No. 2672-M-W.

GOVERNMENT OF INDIA.

MILITARY DEPARTMENT.

Simla, the 14th September 1892.

It is requested that the above heading, with number and date of this communication, may be stated in any subsequent correspondence on this subject.

To

THE DIRECTOR-GENERAL OF MILITARY WORKS.

SIR,

I AM directed to acknowledge the receipt of your letter No. 2572-B., dated 13th June 1891, suggesting that the Commissariat Department may be placed as regards military works on the same footing as the Ordnance and Marine Departments, i.e., that a lump sum should be assigned yearly to the Commissary-General-in-Chief, out of which all Commissariat works in India and Lower Burma should be provided for.

2. In reply, I am to state that the Government of India sanction the proposal. The procedure to be adopted will be published as an amendment to Public Works Department Code Volume II, Chapter XV, paragraph 19-A. A copy of the standing order is appended.

I am, &c.,

(Sd.) E. H. H. COLLEN,

Secretary to the Government of India.

The Government of Madras, in the Public Works Department.
The Government of Bombay, in the Public Works Department.
The Government of Bengal, in the Public Works Department.
The Government of North-Western Provinces and Oudh, in the Public Works Department.
The Government of Punjab, in the Public Works Department.
The Chief Commissioner, Central Provinces.
The Chief Commissioner of Burma.
The Chief Commissioner of Assam.
The Resident at Hyderabad.
The Agent to the Governor-General for Central India and for Rajputana.
The Commissary-General-in-Chief.

COPY forwarded to Local Governments and Administrations noted in the margin, for information and guidance.

Also to the Quartermaster-General and Accountant-General, Public Works Department, for information, and to the Public Works Department, for information and favour of necessary action.

By order,

Samuel Dallen
Captain R.E.

Asst. Secy. to the Govt. of India.

G. C. Press, Simla.—No. 2473 M. D.—15-9-92.—446.

To,

The Secretary to the Government of Madras
Public Works Department

2822 W a/o 10th October 1892

Communicated to office
of the P. W. D. for information
and guidance.

2. So far as the Madras
Presidency is concerned,
the procedure laid down
by the Govt. of India
affects only funds for
public works connected
with the Ordnance and Com-
missariat Dept.
