GOVERNMENT OF MADRAS.
MILITARY DEPARTMENT.

Rewards—Royal Humane Society.

Read the following papers:—

No. 204. *Endorsement from Captain E. DEBRATH, Assistant Secretary to the Government of India, Military Department, to Brigdr.-Genl. H. R. HOPE, Secretary to the Government of Madras, Military Department; dated Simla, the 31st August 1892, No. 2810-B.*

Rewards—Royal Humane Society.

Copy of the foregoing forwarded to the Secretary to the Government of Madras, Military Department, for the information of the Governor in Council, in continuation of docket No. 2116-B, dated the 28th June 1892.

From the Secretary of State for India, to the Secretary to the Government of India; dated India Office, London, the 25th July 1889, No. 77 (Public).

I forward herewith, for delivery to Ishar Das, an honorary silver medal and certificate which have been awarded to him by the Royal Humane Society for gallant conduct in saving life from drowning.

2. As it appears from the letter from the Humane Society and its enclosure, copies of which are herewith transmitted, that this case was brought to the notice of the Society direct by the Deputy Commissioner of Lahore, I request

Dated the 5th July 1889, and enclosure.
that your Excellency in Council will call the attention of that officer to the instructions given in the Earl of Kimberley's Despatch of the 21st of May 1885, No. 54.

From the Secretary of State for India, to the Secretary to the Government of India; dated India Office, London, the 29th August 1889, No. 92 (Public).

I transmit for delivery to Mr. John Fox, Deputy Superintendent of the Alipore Jail, a bronze medal and certificate awarded to him by the Committee of the Royal Humane Society on account of his gallant conduct in saving a native from drowning on the 23rd of April last.

2. It appears that the application in behalf of Mr. Fox was made direct to the Society by the Superintendent of the Jail. The attention of that officer should be called to his irregular proceeding. As recently pointed out in my Despatch of the 25th ultimo, No. 77, all applications of this character should be submitted by the Governments in India through the Secretary of State, and it might be well to repeat the instructions on this subject. The observance of these orders, in all cases, is desirable, especially as it is understood that Military cases often come direct from India to the Royal Humane Society in an irregular manner, and in some instances leaving a deficiency of postage to be paid by the Society.

From the Secretary of State for India, to the Secretary to the Government of India; dated India Office, London, the 18th December 1890, No. 154 (Public).

I transmit for delivery to Mr. T. C. Anderson, in the employment of the Assam Railways, a bronze medal and certificate awarded to him by the Royal Humane Society for having saved two native women from drowning in the Brahmaputra at Lakhimpur, Assam.

2. As this case was sent direct to the Humane Society by the Deputy Commissioner at Lakhimpur, I must again call the attention of your Excellency in Council to the orders conveyed in my Public Despatches Nos. 77 and 92, dated the 25th of July and the 29th of August 1889.

From the Secretary of State for India, to the Secretary to the Government of India; dated India Office, London, the 24th March 1892, No. 29 (Public).

With reference to the endorsement No. 204 T.E., dated the 30th of November last, addressed to this office by the Under-Secretary to the Government of India, in the Public Works Department, Telegraph Establishment, and to your letter, No. 58, dated the 16th of December last, I forward, for delivery to

Testimonials on vellum.

Signaller E. C. A. Browne and Constable Bahadur Khan, the awards of the Royal Humane Society in consideration of their conduct in rescuing from drowning a boy and a girl on the 13th of June and the 14th of August 1891, respectively.

2. It appears that the Director-General of Telegraphs transmitted direct to the Society the application in behalf of Signaller Browne, contrary to the instructions* regulating the submission of these cases, and that he was requested by the Society to return the form supplied to him through the official channel.

See Public Despatch to Government of India, 18th December 1890, No. 154, and previous Despatches cited therein.

3. To avoid further mistakes of this kind, I would suggest that your Excellency in Council should issue an order directing that all applications to the Royal Humane Society from the several local Governments and Administrations and their respective officers, excepting the Governments of Madras and Bombay, be submitted through the Home Department of the Government of India.

No. 205. From P. G. MELITUS, Esq., Officiating Deputy Secretary to the Government of India (Home Department—Public), to Brigdr.-Genl. H. R. HOPE, Secretary to the Government of Madras, Military Department; dated Simla, the 5th September 1892, No. 1874.

I am directed to acknowledge the receipt of your letter, No. 4685, dated the 28th July last, forwarding an application for the award of the Royal Humane Society's medal to Surgeon-Captain E. O. White, Medical Staff, and Private Halsey of the 4th Battalion, King's Royal Rifles, for having rescued Private Peer Khan from drowning.

2. I am to invite a reference to the Despatch from the Secretary of State marginally-noted, from para. 3 of which it will be seen that such applications from the Madras Presidency may be transmitted direct to His Lordship, and to request that, with the permission of His Excellency in Council, this course may be followed in future in dealing with similar applications.

3. The present application has been forwarded by the Government of India to the India Office.

No. 206. ORDER THEREON, 26th September 1892, No. 6006.

Recorded for guidance.

2. The above ruling is in supersession of that contained in Proceedings of Government, No. 4656, dated 27th July 1892.
