13TH OCTOBER 1892, No. 2847 W., PUBLIC WORKS.

GOVERNMENT OF MADRAS.
PUBLIC WORKS DEPARTMENT.

Buildings and Roads.
Military Works.

READ--the following papers:--

From A. JOYCE, Esq., Executive Engineer, West Coast division, to the
Superintending Engineer, IV Circle, dated Meppadi, 25th September 1892,
No. 2858.

I have the honour to point out that in G.O. No. 1757 W. of 13th June 1892,
purporting to be the orders on statement of military works incomplete for 1891-92
(Imperial), no funds have been assigned in excess of the budget allotment that had
been applied for for new barracks, Calicut.

2. The work having been authorized by Government for prompt execution and
the time of contract expiring at the end of the official year, every energy was used in
the rainy weather to show better progress, which involved an excess expenditure of
Rs. 3,300 beyond the budget allotment of Rs. 3,398.

3. This excess was allowed in anticipation of sanction of further grants later on
during the year.

4. In these circumstances, I have the honour to request that Government of
India may be moved through Madras Government to sanction the grant of Rs. 10,000
applied for in excess of the budget provision.

No. 414 W.

Copy forwarded to the Chief Engineer, Public Works Department, with
reference to para 2. of G.O., No. 2642 W., dated 23rd instant, with a request that he
will be good enough to obtain an additional grant of Rs. 10,000 for the current
official year as the work must be completed before 31st March next.
