GOVERNMENT OF MADRAS.

MILITARY DEPARTMENT.

Correspondence—Stationery.

Read again the following paper:—

Proceedings of the Madras Government in the Military Department; dated 27th September 1892, No. 6054.

ABSTRACT.—Recording correspondence with the Government of India on the subject of the printing and supply of Army forms of the three presidencies by the contractors for printing Government of India Stock forms, Calcutta.

Read also the following paper:—

No. 211. *From Major-Genl. E. H. H. COBLEN, C.I.E., Secretary to the Government of India, Military Department, to Brigdr.-Genl. H. R. HOPE, Secretary to the Government of Madras, Military Department; dated Simla, the 8th September 1892, No. 2884-B.*

Correspondence—Stationery.

With reference to the correspondence ending with your letter No. 3894, dated the 20th June 1892,* regarding the printing of Army and Commissariat forms required for the Madras Presidency by the contractors to the Government of India for printing Stock forms, Calcutta, instead of by the Lawrence Asylum Press, I am directed to say that the Calcutta contractors have now declined to adhere to the compromise mentioned in Military Department telegram, No. 990-B, dated the 24th March 1891, viz., that they should print all Commissariat forms, while the printing of the Army forms should be retained by the Lawrence Asylum Press.

2. I am to observe that, under the terms of their contract, the Calcutta contractors can legally claim the printing of the following forms which are required by the Government of India:—

- (1) Indian Ordnance forms.
- (2) Military Works Branch forms.
- (3) Commissariat forms.
- (4) Army forms.
- (5) Military Hospital forms.
- (6) Bengal forms (gratis).
- (7) Bengal forms (chargeable).
- (8) Stud forms.
- (9) Forest forms.
- (10) Public Works forms.
- (11) State Railway (Capital) forms, all forms (Capital or Revenue) for the North-Western Railway excepted.
- (12) Post Office forms.
- (13) Telegraph forms.

3. I am to add that the power that Government possesses under their contract to withdraw from the contractors the printing of any of these forms is strictly limited, and can only be exercised after six months' notice to the contractors, and upon Government affording proof, in the case of each form the printing of which it is desired to withdraw, that all or the largest number of copies are required for use either in the Madras or Bombay presidencies. The printing of any of these forms which may now be carried out by local presses must therefore be immediately surrendered to the contractors and be left in their hands. I am accordingly to request that, under the orders of the Governor in Council, the necessary instructions may be issued for the transfer to the Calcutta contractors of the printing of any of the abovementioned forms which may hitherto have been executed by the Lawrence Asylum Press, Madras. The local presses may, however, be permitted to retain the printing of strictly local forms.

No. 212. ORDER THEREON, 27th September 1892, No. 6055.

The foregoing decision of the Government of India communicated to His Excellency the Commander-in-Chief and Military Departments generally, for information and guidance; also to departments of the Secretariat.
