Read—the following paper:—

G.O., dated 3rd October 1892, Mis. No. 4282, Revenue.

Read—the following Proceedings of the Board of Revenue (Land Revenue), dated 6th September 1892, Forest No. 928:—

Read—the following letter from the Conservator of Forests, Southern Circle, dated 10th June 1892, No. 1423:—

I have the honour to inquire whether rangers and foresters who wish to appear for examination in Surveying and Levelling should go up for the Higher Examination in Science, Arts and Industries, syllabus 9, or may be examined by competent officers of the Survey and Public Works Departments.

2. In the Government Order communicated with Board's Proceedings, dated 20th May 1889, Forest No. 277, the test in syllabus 9 above referred to was ordered to be substituted for the Lower and Higher standards of Surveying tests prescribed in paras. 42 and 43 of the Forest Code, but I find that in a subsequent order communicated with Board's Proceedings, dated 7th February 1890, Forest No. 72, the Government has accepted the Board's suggestion that "in future where the Survey officers do not object to conduct the examination in Levelling, their certificates may be recognised as well as those granted by Public Works Department."

3. As these orders seem to conflict, I make this reference in order to issue instructions to the District Forest officers in my circle.

Resolution—dated 6th September 1892, Forest No. 928.

In G.O., dated 25th April 1889, No. 315, Revenue, Government approved of the proposal of the Director of Public Instruction to substitute the standards in syllabus 9 of the Higher Examination in Science, Arts and Industries for the Higher and Lower standards of Surveying prescribed in the Madras Forest Code (paragraphs 42 and 43). From the Director of Public Instruction's letter, dated 7th June 1888, read in Board's Proceedings, dated 10th July 1888, Forest No. 483, Mis., it will be seen that the object of this change was to maintain a suitable standard in the examination and with this view to transfer its conduct from the Survey officers and Public Works officers to the Commissioner for the U.C.S. Examinations.

2. In passing its Proceedings, dated January 1890, Forest No. 16, Mis., dealt with in G.O., dated 29th January 1890, No. 636, the Board lost sight of this change and the Government also appears to have overlooked it in passing orders on the Board's Proceedings of 9th January 1890.

3. The Conservator's letter read above will therefore be submitted to Government with the request that its order of January 1890 above mentioned may be altered. The effect will be that the examination in Surveying and Levelling will be conducted by the U.C.S. Commissioner as per G.O., dated 25th April 1889, No. 315.

15TH OCTOBER 1892, No. 2872 W., PUBLIC WORKS.

Order—dated 3rd October 1892, Mis. No. 4282, Revenue.

In the circumstances now reported, G.O., No. 636, Mis., dated 29th January 1890, is cancelled.

3. The Conservator's letter
read above will therefore be
submitted to Government with
the request that its order of Jan'y.
