READ—the following paper:—

Proceedings of the Board of Revenue (Land Revenue), dated 14th September 1892, Mis. No. 5809.

Read—the following letter from the Acting Head Assistant Collector, Tanjore, to the Collector of Tanjore, dated 1st July 1892, No. 1118:—

Since the construction of a new cattle pound building on the standard plan at Kilapur in the Negapatam taluk in 1890, the old building which belongs to Government has not been required for Government purposes and the Local Fund Board has been permitted to use it as a school-house temporarily until it should provide itself with another building. The Sub-Assistant Inspector of Schools, Negapatam Range, now brings to notice in his letter, No. 901, dated 15th April 1892, that the building requires urgent repairs to the extent of Rs. 60 and requests that necessary sanction may be obtained for the transfer of the building to the Local Fund Board for use as a school, so that the Board may be able to allot funds for its repair and maintain it in good condition. The subject was placed before the Taluk Board at its meeting held on 17th of June and it was resolved to ask the Government for sanction for its transfer.

2. It is reported by the Negapatam Tahsildar in his arzi No. 970, dated 15th May 1892, that the building was originally intended as a halting place for the treasury guards who accompanied the remittance of Government money from Tiruturai-pundi taluk to Negapatam, the village being midway between Tiruturai-pundi and Negapatam and that it was used as a cattle pound till another building was erected for the purpose in 1890.

3. I have the honour therefore, in accordance with the resolution of the Board, to request that you will be good enough to obtain the sanction of Government for the grant of the building to the Board. The building is of no use to Government now and will soon be a ruin if not repaired.

4. Should Government not be disposed to make an absolute gift of the building to the Board, it might be willing to make it over free of rent on condition of its being maintained by the Board in good order and used as a school-house.

5. I enclose herewith the connected papers and also a copy of the Taluk Board's Resolution No. 11, dated 17th June 1892, on the subject.

Endorsement of the Collector, dated 9th September 1892, No. 600.

Submitted to the Board of Revenue (Land Revenue) with the recommendation that the Taluk Board, Negapatam, be permitted to use the building on condition of their putting it into and keeping it in good repair and of their vacating it on receiving six months' notice.

Resolution—dated 14th September 1892, Mis. No. 5809.

Submitted for the orders of Government.

2. The Board recommends that the building be handed over to the Negapatam Taluk Board on condition that it be handed back to Government if subsequently required by the State.
