The Moochie of this Office, who has 19 years' service under Government, has been drawing a salary of Rupees 12. since 1885. Besides his ordinary duties, he has to mount plans and insert Standing Orders in the various Codes in the Office. He is hardworking and does his work satisfactorily. He is deserving of encouragement, and an increase of Rupees Two (Rs. 2) to his Salary from the commencement of the next Official year is recom-

intended. This will bring his pay up to the same as the pay of the two Chief Marshies in both your Office and that of Consulting Engineer for Railways.
