OFFICE OF THE CONSULTING ARCHITECT

TO THE GOVERNMENT OF MADRAS,

No.

Chennai, 189 .

Copy of a communication from the Deputy Collector of
Madrass to the Consulting Architectto Government, No. 121 dated 22 January 1892.

With reference to your letter of the 4th Inst. No. 3518, I have the honor, by direction of the Collector of Madras, to state that you will do well to take legal advice in the matter of the Criminal prosecution now pending against the Reddis of Igumero and that in order to secure a conviction in the case, the question of title to the land need not, and should not, be entered into at all. The only point to be established is actual bona fide possession, and it should be urged that such possession should not be allowed to be interfered with in the manner in which it has been done by the accused. If the Reddis have any right to recover possession, their remedy is in a Civil Court.

2 I understand the case stands adjourned to the 22nd February 1892. On that day my Revenue Inspector, who made over the land to you, will attend the Court. There is no use in my attending as I am not now at liberty to go into the questions of title,

1890 Government

as the collector of Madras objects to the
filing of the official documents bearing
on the subject.
