In the Resolution of the Government of India, No. 3 A.—C.W., dated 7th January 1892, a provisional grant of Rs. 23,000 is assigned for expenditure on Imperial civil works in the Madras Presidency during the year 1892-93, the amount being distributed under departmental heads as shown below:—

	RS.
Major works in progress	3,500
Repairs	15,000
Establishment and tools and plant	4,500
Total	23,000

2. The budget estimate for 1892-93 has been prepared for the grant thus made.

3. No allotments have been sanctioned by the Government of India for the following major works included in the schedule circulated with G.O., No. 3160 W., dated 26th November 1891:—

- (1) Constructing a dam across the Valavanar in the Tanjore district.
- (2) Constructing a new combined Post and Telegraph office at Mysore.

4. The combined Post and Telegraph office at Periyakulam, Madura district, brought forward by the Superintending Engineer, VI Circle, in his budget estimate, has also been excluded, the Directors-General of Post offices and Telegraphs not having proposed the work for execution during 1892-93.

5. The grants for minor works under Postal and Telegraph having been placed at the disposal of the Directors-General of Post offices and Telegraphs, respectively, Superintending Engineers and the Consulting Architect will apply direct to those officers for funds required for incomplete and new works under those heads.

6. Part II of the budget contains the distribution among divisions of the grants for repairs under Postal and Telegraph.

7. The allotments applied for by the Chief Engineer, Military Works Department, for repairs to the Postal and Telegraph buildings at Bangalore, will be placed at his disposal on receipt of the final orders of the Government of India on the budget estimate for 1892-93.

8. The difference between the budget and the revised estimate of charges for 1891-92 is due to the following causes:—

- (1) Allotments for minor works subsequently sanctioned by the Directors-General of Post offices and Telegraphs.

293-94
2

(2) Withdrawal by the Government of India of the allotment of Rs. 1,400 for loss by exchange on the value of the indent for sheet lead for the Telegraph office, Madras.

(4) Surrender of a portion of the grant for the Telegraph office at Guntakal.
