Letter from the Executive Engineer, Madras
Division, to the Superintending Engineer
D. Veerappa: M. S. E. D. 6th October 1892.

I have the honor to inform you that some
one is urgently wanted in the place of
Mr. Lab Roy Chowdry.

2. The Madras Sub. Division is a very
large one about 4,500 square miles in area
and as outlying works cannot be fre-
quently inspected by the Executive Engineer
it is desirable to have an Engineer officer
in charge of the Sub. Division.

— Supt. Engrs office Baidar,
Trichinopoly.
No. 724 M. S. 10th October 1892

Copy submitted to the Chief Engineer
Baidar with a request that at least an Assis-
tant Engineer of some standing be posted
to the Madras Dn, at once, if possible.
It is certainly necessary that the Madras
Sub. Division should be in charge of an
Engineer officer. At present it is in charge
of a Superintendent I Grade.
