Civil Works.

READ—the following paper :—

From H. IRWIN, Esq., C.I.E., Consulting Architect to Government, to the Chief Engineer, Public Works Department, dated Chepāk, 11th October 1892, No. 2111.

I have the honour to request that you will kindly have orders passed with reference to the charge of the Queen-Empress' statue and canopy erected at Chepāk at the expense of Rajah G. N. Gajapati Row. The canopy being of iron and exposed to the sea-air is likely to corrode and fall to pieces unless kept regularly painted, and I do not feel at liberty to do so as the statue has not been placed in charge of this office.

ORDER—dated 22nd October 1892, No. 2933 W., Public Works.

Charge of the statue and its canopy will be assumed by the Consulting Architect to Government, who will make the necessary arrangements for keeping them in a proper state of repair
