READ—the following paper:—

Office-note from the Examiner, Public Works Accounts, dated Madras, 13th October 1892, No. 242 A.

I beg to forward, herewith, for favour of orders of Government, letter from the Executive Engineer, Coimbatore division, No. 3418, dated 19th September 1892, inquiring whether the rule in para. 1045 of Madras Code (to which there is no corresponding rule in Government of India Code) may still be acted upon.

2. The rule in the Madras Code is based upon G.O., No. 749 W., dated 18th September 1877, and G.O., No. 930 W. of 20th April 1885. In my opinion the ordinary law between landlord and tenant should be observed in all cases and formal notice should be given in every case. Gazette notifications will not be sufficient.

ENCLOSURE

From J. C. LARMINIE, Esq., Executive Engineer, Coimbatore division, to the Examiner, Public Works Accounts, dated 19th September 1892, No. 3418.

I have the honour to bring to your notice that there appears to be no para. in the India Code corresponding to Madras Code para. 1045, according to which an officer occupying public quarters is liable to pay rent till notice is given of vacating the building or re-occupation of the quarters. In the absence of ruling in the India Code on the subject, I wish to know whether the rule in the Madras Code may still be acted upon or the gazetted notification transferring the officer from the district construed as sufficient authority for discontinuing to charge rent.

ORDER—dated 22nd October 1892, No. 2935 W., Public Works.

The Madras rule, which is based on the orders quoted by the Examiner, will continue in force.
