 Read the following

Pres. in the Judicial Dept. N^o 1152 of 3 October 1892

The revised estimate, amounting to Rs. 1016, for alterations and repairs to the Subordinate Judge's Court house at Bellary, is returned to the Suptg. Engineer III Circle for sanction with the following remarks:

2. The Registrar of the High Court states in para 1 of his letter recorded in the proceedings quoted above, that funds were provided by the High Court from the grant for Petty Construction and Repairs for 1891-92. This allotment does not appear to have been formally transferred

Transferred to the P.W.
Department as required
by para 193 C, Chap. XV.
Volume II of the ~~Code~~ of
India P.W. Code (para
154 B of the late Indian
P.W. Code). The Suptg.
Engineer, III Circle will
submit an explanation
on this point, and also
report from what
grant the work is being
carried out.

3. It is observed that the
estimate provides for
both original works and
repairs. These should
be separately estimated
for.

* It would appear that the Exe.
Engr. Bellamy Esq. was showing
the expenditure on the work in
some of his monthly accounts
rendered to the Examiner, but
has since written back the
outlay. Thus there is some in-
regularity.
