ORDER—dated 26th October 1892, No. 2962 W., Public Works.

His Excellency the Governor in Council is not prepared to allow any further expenditure from the Provincial allotment for the new ghât road to be incurred on the old ghât road above Coonoor. The old line, if required to serve Aravinghât and Kaity, is a proper liability of the District Board.

2. The old ghât between Coonoor and Kullar may, however, continue to be kept passable for men and pack animals from the maintenance grant for the new ghât, the outlay being restricted to the small sum heretofore diverted for the purpose.

— For Orders —

No money from the Provincial allotment for the new road shown here on the old ghat road above Coonoor. The old line if required to some Aracanth & Kullar is a proper liability of the District Board.

I don't think there is any objection to small cutting from the maintenance grant of the new ghat, as heretofore on keeping the old ghat between Coonoor & Kullar payable for men & pack animals.
