This Call from the Gov
of India, Military Dept., for
Six months' estimate, seems
to be superfluous.

The P.W. Dept. has also
called for this estimate (C.No. 102
— 4447C 2, 17.10.72)

The practice has been
to embody the figures
for the military as well as
Civil works in one statement
and forward it to the Govt.
India in the P.W. D. and this
is what is required by Note 3.
printed on P.W. D form No. 128
which provides for the exhibit
of the figures relating to
Military & Special Defence
Works.

The Director G. of Milly.
Works very probably submit
his six months' estimate to
the Govt of India in the Milly.
Dept. but with this, the local
Govt. has no concern.

It is therefore submitted
that both the Calls may
be disposed of together, the
estimate being submitted
to the G. of I, P.W. D. only and
reference being made in the covering
letter, to the Call from the Milly. Dept.

S. A. W.

The following procedure
has been adopted in prepar-
ing this estimate —

- (1) In the case of Revenues, the
figures suggested by the
Examiner have been adopted.
- (2) As regards Expenditure, the
figures proposed by the
Examiner cannot be
accepted, as the six-
months' estimate should
deal only with sanctioned
grants, vide Notes ^{and} 2 to
para 14.33 of the Madras
P.W. Code.
- (3) The estimate of expenditure
for 1893-94 under 45 Prov. Civil
Works cannot be given, as the
Financial Dept. has not yet
intimated the amount avail-
able for the P.W. grant for
the next year, and as the
budget estimates have not
yet been received from
the S.E. II Circle and the
Registrar of the High Court.
