GOVERNMENT OF MADRAS.
PUBLIC WORKS DEPARTMENT.

General.
Establishment.

READ—the following paper:—

From H. H. O'CONNELL, Esq., Executive Engineer, Nellore division, to the
Superintending Engineer, II Circle, dated 3rd December 1891, No. 279.

I have the honour to forward, herewith, a statement in form No. M. 184 of
temporary watchmen employed to look after the buildings therein noted and to
request you will be good enough to obtain sanction of the Government for the same.

2. The necessity for the employment of these watchers is explained in the
statement referred to above and the sanction of Government now solicited is necessary
to enable the Examiner to pass the salary of these watchers, which is being debited
to General Establishment "paid but not audited."

3. The Collector has been addressed of late with reference to your No. 326 N.L.,
dated 28th August 1891, inquiring as to whether he can arrange with the village
munsifs to keep these buildings in proper order on a monthly remuneration of Rs. 2
as prescribed in Code para 1042 A., but that officer desired to be furnished with
authority for the requisition and the matter is under correspondence.

4. As nearly three-fourths of the year has already elapsed and it will be
some time yet before the final result of reference to the Collector will be known, I
beg you will meanwhile obtain the sanction of Government for the current official
year to admit of the charges now being incurred audited by the Examiner without
objection.

Watchmen

The Examiner authorised to admit the expenditure incurred during the current official year by the employment of two — at Kávali and Kodavalúr rest-houses in Nellore district and the question as to whether the arrangement sanctioned in the case of the Coimbatore division, directing village officers to look after bungalows, should be declared generally applicable, referred to the Revenue Department for consideration.

NOTES.

REFERENCE TO MADRAS P. W. D. CODE,
EDITION OF 1886.

PARAS. 25 & 26.

1. The column headed "present scale" should invariably show the *sanctioned scale for the time being* and not the strength of the actual (whether above or below sanctioned) establishment as it happens to stand at the time. The "present scale" should be verified by the examiner before the proposal is submitted to government for sanction (paras. 25 and 26).

2. In the column "average or fixed pay," financial value, not mean value, should be given.

3. The financial value should in the case of progressive appointments be calculated as follows:—

(1) If the period of rise from minimum to maximum is 5 years, the average will be the minimum *plus* two-thirds, or if the appointment is a ministerial one, *plus* three-fourths, of the difference between the minimum and maximum (C. S. R., Art. 164).

(2) If the period of growth exceeds five years (as in the case of accountants) the $\frac{1}{6}$ th fraction should be decreased by $\frac{1}{6}$ th of the difference for every year by which the period exceeds five; the fraction for periods in excess of five years will therefore be as follows:—

$$6 \text{ years} = \frac{1}{6} - \frac{1}{6} = \frac{1}{6}$$

$$7 \text{ years} = \frac{1}{6} - \frac{2}{6} = \frac{1}{6}$$

$$8 \text{ years} = \frac{1}{6} - \frac{3}{6} = \frac{1}{6}$$

and so on: so that when the period of growth is 20 years the financial value will be the exact mean.
