Rejoinder on the above

Finally disallowed, the question depends upon what the pay of the appointment held by Mr. Sequiera in the Nilgiri Division would be if the Division was situated on the plains. This is a matter for Government to decide. If the Executive Engineer is dissatisfied, he should refer the question thro. the proper channel for the orders of Government.

EXECUTIVE ENGINEER'S OFFICE,
COIMBATORE DIVISION,
COIMBATORE, 5 October 1892

300/2

FROM

J. C. Laminie Esq.

EXECUTIVE ENGINEER,
COIMBATORE DIVISION.

TO

THE SUPERINTENDING ENGINEER,
FOURTH CIRCLE, COIMBATORE.

SIR,

Enclosure.

I have the honor to submit the following case for your favorable consideration and to request you will be good enough to refer the same to Government for orders.

2 Mr. S. Sequiera, the head clerk of this office was appointed clerk III class 1st grade in the late Nilgiri Division on the 30th June 1888 and transferred to this office on the 17th January 1889 as clerk III class 2nd grade and the first annual increment of Rs 4 was therefore claimed on his behalf in July 1889. The Examiner disallowed it on the ground that he has not completed a year's service from the date of his appointment to the

the grade viz 17th January 1889.

In reply, it was pointed out to him that Mr Sequiera was appointed clerk III class 1st grade in the Nilgiri Division on the 30th June 1888 whence he was transferred to this Division on the 17th January 1889 as clerk III class 2nd grade, and that, therefore, he was entitled to the 1st increment in July 1889. But the Examiner finally disallowed the claim with a remark that the question depended upon what the pay of the appointment held by Mr Sequiera in the Nilgiri Division would have been if the Division was situated on the plains and that it is a matter for Government to decide, and if the Executive Engineer is dissatisfied, he should refer the question through proper channel for the orders of Government.

As Mr Sequiera was just at the time the increment was disallowed, transferred to Wynad on an increase of pay retaining

retaining a lien on his appointment in this office, the matter was dropped.

4 The Examiner's objection is against his own procedure in the case of Mr Sequiera's predecessor in the late Nilgiri Division. Divasigamony Mudr was on his transfer in February 1888 from Nilgiris to this Division, allowed to count towards annual increment the period 3 years and odd, he served in the former Division in the higher grade (III class 1st grade).

5 In these circumstances, I request you will be good enough to obtain orders of Government authorizing the Examiner to count the period of Mr Sequiera's service in the late Nilgiri Division from 30th June 1888 to 16th January 1889 towards annual increment in this Division, as in either grade the annual increment would have been the same.

Your office note No. 4415 C. dated 12th.

October 1892.

Mr. Sequiera was transferred from
clerk III Class 1st. Grade (80-4-100) late
Nilgiri Division to clerk III Class 2nd
Grade (80-4-80) in the Coimbatore Divi-
sion. The Executive Engineer recommends
that the period from 30th. June 1888 to
16th. January 1889 during which he was
clerk III Class 1st. Grade in the Nilgi-
ri Division may be counted towards in-
crement in clerk III Class 2nd. Grade
(80-4-80).

2. Government having sanctioned spe-
cial rates of pay to the members of of-
fice establishment, Nilgiri Division, in
consequence of the costliness of living,
it is for them to decide whether the ap-
pointment of clerk III Class 1st. Grade
held by Mr. Sequiera in the Nilgiri Divi-
sion is to be considered equivalent to
that now held by him in the Coimbatore
Division.

I should say certainly not. The rating
in the ~~1st~~ division was a special
one intended to be equivalent to that
of a lower rating in the plains.
