PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following Proceedings of

the Board of Revenue (Land Revenue) dated 14th September 1892 No. 5808 Misc. on the following letter from the Collector of North Arcot dated 10th Sept^r 1892 Ref. on Gt. English No. 5279 to the Secretary to the Commissioners of Land Revenue, Madras.

A portion of the Deputy Tahsildar's Office building at Timpoti having fallen down, the Executive Engineer was asked by the Head Assistant Collector to take steps for the erection of a new building according to the standard plan. As, according to G.O. dated 15th June 1892, No. 1787.W. Public Works, the approval of Government is necessary in the first instance, to the projected work, I have the honor to request that the Board will be pleased to advise Government to sanction the construction of a new building of the standard design and issue necessary instructions to the Public Works Department for the preparation

of necessary plans and estimates.

2. As regards the condition of the present building, I beg to state that it is old, too low, ~~ill~~ ill-ventilated and inadequate for an office. It becomes damp during the rainy season and thereby affects the health of the officials and also of the Vakeels and parties frequenting the Court. The portion occupied by the Sub-magistrate for holding Court is inconvenient, and there is no sufficient space there for the Vakeels.

3. The Sub-magistrate is now holding his Court in the Central Hall of the Municipal Office which is at a short distance from the Deputy District Office, leaving the Head Gumaratees and the Sheriff to work in the verandah room of the old building. As this cannot be allowed to continue, I beg that the early sanction of Government may be obtained and the new building constructed at as early a date as possible.
